... keeping school and parents in touch

Our School's Mission Statement—Having faith in God, ourselves and each other as we strive to reach our potential

Our School Value for this half term is Trust
"Depend on the Lord, trust him and he will take care of you"
Psalm 35:7

Welcome Back!

Outbreak Plan

Unfortunately, this week we have had to move to bubbles again due to the significant increase in COVID cases. But, once again, our children never cease to amaze me. They have just adapted back into bubbles without any fuss—I am so proud of them. I have met with Public Health twice this week. They are extremely happy with everything we are doing to try and stem the spread. They have asked that I strongly encourage testing at home. It is recommended that you and your family test twice a week. This week we have sent home a box of tests with every family. Please use them to help protect our school community.

This week's talk task

As a little at-home talk task this week, why not:

- talk to your children about what democracy means to you.
- talk to your children about your experience of voting. Compare it with their experience of voting and 'having a say' in school.

Flu immunisation

I posted on dojo and you will have received an email with a link to follow to give consent for your child to have the flu vaccination in school. Please follow the link and add your child's details. Any issues with this, let me know.

Lunch boxes

Just a reminder that we are a healthy school and encourage healthy lunchboxes. Can you please ensure the snacks are not too sugary? Fruit is always the best option.

Uniform

It is lovely to see our children looking so smart. I know I am biased but I think our uniform is lovely. We are only at the end of our 2nd full week back and already children are appearing with no ties and in trainers. I have directed my staff to start sending reminders home about uniform. If you are struggling in anyway, please come and see us in the office as we have plenty of spare uniform.

Earrings

We are seeing lots of girls and boys coming into school wearing earrings. Jewellery is not part of our uniform for a reason. Earrings can cause harm to your child if they are caught on the playground or during a PE lesson. Please remove your child's earrings or cover them in plasters.

Soft Opening

To alleviate congestion first thing, we have introduced a soft opening. Your child can enter the building from 8:40am. Registration with start then and end at 9am. At 9am, the gates will be locked and your child will be marked late if they come after this time.

Happy Retirement

After 15 years at Queen's Park, Mrs Bates is hanging up her mid-day apron and whistle today. We wish her all the best and hope she enjoys putting her feet up and taking a well earned rest.

Outside achievers

Very well done to Violet who has just achieved her stage 4 swimming badge. Amazing work!
