

Fire Safety Smart

- 1** NEVER play with matches, lighters, candles, or stoves. 
- 2** Ask your parents to change all smoke detector batteries every six months.
- 3** Make a fire evacuation map for your family and have a practice fire drill.
- 4** Firefighters are community helpers. NEVER hide from a firefighter if you have an emergency at home.
- 5** Know your full name, address, and phone number.
- 6** Call 911 if there is an emergency or fire.
