We are committed to developing our children into confident individuals who make a positive difference through developing a respect for themselves, each other and the world around them. For with God, everything is possible. (Matthew 19:26)

We believe that all people are made in the image of God and are unconditionally loved by God. Everyone is equal and we treat each other with dignity and respect. Our school is a place where everyone should be able to flourish in a loving and hospitable community. Queen's Park seeks to provide a safe, secure and positive environment for all children which is underpinned by our school values. We believe that this helps our children to develop and grow. Queen's Park promotes an honest and open anti-bullying ethos, in which children, young people and adults are entitled to be treated with respect and understanding and to participate in any activity without fear of intimidation. Any behaviour which undermines this, is unacceptable and will be treated as such.

#### Aims and purpose of the policy

- To ensure a secure and happy environment free from threat, harassment, discrimination, or any type of bullying behaviour.
- To create an environment where all are treated with dignity and respect and where all members of the school community understand that bullying is not acceptable.
- To ensure a consistent approach to preventing, challenging, and responding to incidents of bullying that occur.
- To inform pupils and parents of the school's expectations and to foster a productive partnership which helps to maintain a bullying-free environment.
- To outline our commitment to continuously improving our approach to tackling bullying by regularly monitoring and reviewing the impact of our preventative measures.

#### What is bullying?

Bullying is behaviour which deliberately makes another person feel uncomfortable, distressed, or threatened. Bullying makes those being bullied feel powerless to defend themselves.

Bullying can occur through several types of anti-social behaviour. It can be:

- Emotional (being unfriendly, excluding, tormenting, threatening behaviour)
- Verbal (name calling, sarcasm, spreading rumors, teasing) #everythingispossible

# For with God, everything is possible (Matthew 19:26) #everythingispossible

- Physical (pushing, kicking, hitting, punching or any use of violence)
- Extortion (demanding money/goods with threats)
- Exclusion from discussions/activities
- Damage to property or theft (property may be damaged or stolen)
- Cyber (all areas of internet, email, and internet chat room misuse. Mobile threats by text
  messaging and calls. Misuse of associated technology e.g., camera and video facilities
  including those on mobile phones.
- Racist (racial taunts or language, graffiti, gestures)
- Sexual (unwanted physical contact, sexually abusive comments)
- Homophobic, biphobia, transphobic (because of, or focusing on the issue of sexuality)

## Why we are against bullying?

In Queen's Park Primary School bullying and any other forms of intimidation will not be tolerated. We believe that all children are loved by God, are individually unique and we believe that it is our mission to help each child to fulfil their potential in all aspects. Our vision is deeply aligned to the vision of the Church of England, 'That all may flourish and have an abundant life'.

Everyone will treat each other with kindness and respect. Everyone will care well for each other. Everyone will come to school without fear and will be safe in school. Everyone will be vigilant and will intervene promptly if there are any signs or reports of bullying taking place. (Equality Act 2010)

#### **Preventing Bullying**

In order to prevent bullying school has adopted many strategies, including:

- Involvement in Anti Bullying week
- Implementation of 'Valuing All God's Children'
- Achievement of the National Healthy School standards
- Reward systems for positive behaviour
- Circle Time
- Peer Listeners
- Worry boxes
- A structured e-safety curriculum
- A designated Governor (Mrs K Devine)

#### **Responding to Bullying**

This section explains the school's standard responses to bullying allegations:

#### Reporting and recording bullying allegations / incidents

Bullying allegations can be made from a number of different sources, including from the child, child's friend, parent / carer or staff member and they will all be taken seriously and investigated following our robust reporting procedures (see Appendix A-F).

#### How we respond to bullying

All initial cases/incidents will be explored and investigated by our Engagement and Safeguarding Lead (Mrs Leadbetter) will talk to victims and perpetrators through the process of Restorative Justice (RJ). Sometimes, where deemed necessary, parents/ carers will be invited to join this process. Sanctions for bullying are intended to hold pupils who bully to account for their behaviour and to ensure that they face up to the harm that they have caused. Furthermore, they are given the opportunity to reflect and learn from the incident. Such sanctions also provide an opportunity for the pupil to put right the harm that they have caused.

#### **Role of Parents/Carers**

Parents have an important part to play in our anti-bullying policy. We ask parents to:

- Look out for unusual behaviour in your children for example, they may suddenly not wish to attend school, feel ill regularly, or not complete work to their usual standard.
- Always take an active role in your child's education. Enquire how their day has gone, who they have spent their time with, etc.
- If you feel your child may be a victim of bullying behaviour, inform school immediately. Your complaint will be taken seriously, and appropriate action will follow.
- It is important that you advise your child not to fight back. It can make matters worse!
- Tell your child that it is not their fault that they are being bullied.
- Reinforce the school's policy concerning bullying and make sure your child is not afraid to ask for help.
- If you know your child is involved in bullying others, please discuss the issues with them and inform school. The matter will be dealt with appropriately.

We expect parents/carers to be fully involved in the investigation, recording and evaluation process for bullying behaviours.

This policy will be reviewed annually.

Pupil/s request help through member of staff

Staff witness incident and report to Pastoral and Safeguarding Lead

A staff member (class teacher/ support staff) will meet with the pupils involved and investigate thoroughly. If isolated incident record on CPOMs, give out sanctions accordingly and speak with parent/carers about how the matter has been dealt with. If the incident is more serious or it is a repeated offence pass all information to the Pastoral and Safeguarding Lead (Mrs M. Leadbetter).

Initial investigation by Pastoral and Safeguarding Lead involves a discussion with all children involved. Log of incident made and all associated notes onto CPOMs

Parents/carers of all children involved informed.

Agree action plan, intervention strategies for all involved and sanctions for perpetrator. Set review date 1 two weeks from date of incident and continue to include the above information on the bullying incident form. All actions above to be completed in two to three days.

Maintain contact with victim to review progress on regular basis. Complete review 1 on set date. Include parents/carers views. Set date for review 2 meeting approximately 2 months from review 1 meeting. If issues are unresolved plan additional action and escalated intervention strategies.

Complete review 2 meeting. If issues unresolved arrange a meeting with the perpetrator, parent/carers and Headteacher to agree a final action plan. If issues are resolved, then complete child and parent/carers evaluations. All paperwork relating to the incident is to be stored in the bullying/racist incident file and a note to be made in the child's individual class behaviour log.

Pastoral and Safeguarding Lead reviews on a termly basis the bullying incident logs, class behaviour logs where isolated incidents are recorded and any recent health or school surveys in relation to children feeling safe. The collated information will then be shared with SLT and school governors. Any highlighted issues will become a school priority and addressed accordingly through PHSE lessons or specific targeted actions linked to the SIP.
