

For with God, everything is possible (Matthew 19:26)

Science Long Term Plan

Queen's Park 'Crown Curriculum' - all our planning is based on our key principles and intent for our curriculum						
<i>Challenge Resilience Opportunities Wellbeing kNowledge</i>						
Year Group	Topics and skills can be taught in any order to enable creative planning of our 'Crown Curriculum'					
Term	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	Throughout the year, children in EYFS will explore and learn to understand the world around them. They will explore the natural world, making observations and drawing pictures of animals and plants; and learn to understand some important processes and changes in the natural world around them, including the seasons and changing states of matter. We also explore and expose the children to Everyday Materials (and some of their properties), Living Things and Their Habitats, Animals including humans, Light and Forces. These are explored through literacy, during provision or by following children's interests.					
Year 1	Seasonal changes (Revisited throughout the year)	Everyday materials	Plants		Animals including humans	
Year 2	Living things and their habitats	Uses of everyday materials		Plants	Animals including humans	
Year 3	Rocks	Forces and magnets		Plants	Animals including habitats	Light
Year 4	Sound	States of Matter	Electricity	Living things and their habitats	Animals including habitats	
Year 5	Earth and Space	Properties of materials	Forces	Living things and their habitats	Animals including humans	
Year 6	Living things and their habitats	Electricity Light			Animals including humans	Evolution and Inheritance
