

## Overview of Progression of reading skills at Queen's Park Primary School

## (linked to the appropriate Content Domains)

Over the academic year, the skills below that are the focus for a specific year group are revisited time and time again using a more demanding text.

Content Domain symbols are used to support the teaching and learning of reading. These symbols are used when adults model answers and when children respond. They are used in the English curriculum

Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6

reception:		Year 2 – White				
Green						

In EYFS and KSI, children follow the RWI phonics programme. Decodable books used so books match sounds.

## Once children are off the RWI programme, they follow the school's reading scheme and reading for comprehension is a priority.

Reading for meaning is at the heart of Guided Reading – this is a vehicle to teach reading skills and comprehension skills.
